

**The Pride of Kutch**  
**AN ISO 9001 : 2008 Certified Service**

**Bridging Tomorrow**

#### **Vision**

To be a hospital of choice for patients because of our pre-eminent care and patient-centric service utilizing leading edge technology with human touch.

#### **Mission**

AIMS is committed to provide quality patient care with innovation and holistic approach assuring clinical excellence to enhance the health status and meet the expectations of the local community and patients

## Looking Beyond

Thank you for taking the time to learn more about Aaryan Institute of Medical Science (AIMS).

AIMS hospital situated in the centre of Mandvi, Kutch and has been a part of Mandvi community for over more than 7 years. Our hospital's more important task is to support the trust given to us by the community through a constant attention to clinical excellence.

The AIMS hospital is committed to excellence and quality. The group provides the highest standard of clinical skills and nursing care across a wide range of specialties. Also, AIMS attracts exceptional doctors and surgeons from all over Gujarat. Through our partnership with various stalwart medical practitioners AIMS has access to an exceptionally broad range of medical expertise. In addition, our extensive acute care and emergency hospital, family health clinics and multidisciplinary ambulatory services all ensures that we are able to offer high-quality healthcare in a safe, caring and confidential environment.

As one of the largest private hospital group in Kutch, AIMS offers the finest surroundings and services for indoor patients, outdoor patients and day care treatment because we know that the comfort of our patients helps their recovery. The hospital caters for individual tastes and requirements to ensure that patients feel as relaxed and comfortable as possible during their stay.

The future promises even more. As a Group AIMS is foraying strongly in the sector of education with aone amenities that institute contemporary teaching methods and inculcating the essence of true medical service through nursing college.

**Dr. Kaushik Shah**  
Director, AIMS GROUP

## AIMS GROUP

AIMS group is a corporate house with a 7 years history of Excellence behind it. The Group, under the able stewardship of Dr. Kaushik Shah is currently operating in the healthcare and education sectors with a strong accent on social responsibility.

### I-Healthcare

Aaryan Institute of Medical Science is the flagship initiative of the AIMS group. Since inception our priority is to ensure that all patients are cared for in a way that is safe, effective, efficient and fair, and we strive to provide high-quality services to meet our patients needs. Driven by this priority and the sense of patient care AIMS has extended its units to various inaccessible locations around Kutch through AIMS Clinics and Associated centres and Occupational Health Centres.

AIMS is committed to active involvement in society and politics as a socially responsible partner in the firm belief that a business bears responsibility to society as a whole. AIMS maintains close and long term relationships with various stakeholders and institutions and supports a wide variety of health projects on a local, national level like the Mukhiyamantri Amrutum Yojna (initiated by Health and Family Department, Government of Gujarat) and Rashtriya Swasthya Bima Yojna (Initiated by Government of India).

### II-Education

#### AIM school

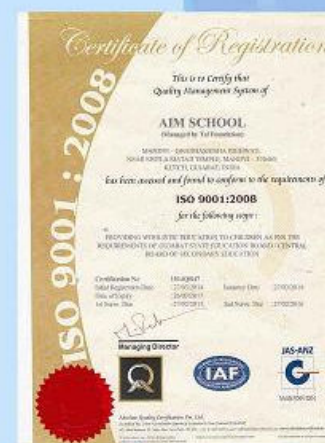

With a student strength, it imparts value-based education to children from Play Group to 7<sup>th</sup> standard. Digitally ,smart and spacious, air conditioned classrooms, well stocked digital library, enhanced amenities of CCTV camera security, sprawling grounds and activities that focus on a holistic development of a child make AIMS school add haven of learning.

#### AIMS college of Nursing and Paramedical studies

An active centre for training students to meet not only AIMS's internal demand but the growing worldwide demand for competent healthcare professionals

#### AIMS Sports Academy

A vision behind AIMS Sports Academy is not our AIM School students but all the students of Mandvi Taluka can have advantage of developing their ability in sports. It provide playing for Karate, Skatting Tennis, Table Tennis, Badminton, Gymnastics, & Kusti.

## Aaryan Institute of Medical Science

To meet the growing demand for services and further improve standards of care, the unique **Aaryan Institute of Medical Science** has been designed such that it combines the technology of modern medicine with the cultural feel of the local community.

AIMS offer a broad range of medical services covering most procedures and treatments. And with many physicians, sharing and collaborating, you benefit from a unique, interdisciplinary approach to modern medicine. Ultimately it's our team of experienced health care professionals that make a difference to your well-being.

AIMS is enriched and facilitated by several other ancillary support units including a Dialysis Center and a Digital Radio-diagnosis Center. These service centres are connected with each other and with the main hospital complex, thereby reducing traffic in patient care areas.

AIMS is committed to the highest quality standards of medical excellence. This commitment is supported by a comprehensive quality assurance programme, with standards continually monitored through rigorous internal and external audit. AIMS is the only Medical centre in Kutch to be accredited the ISO 9001: 2008 certificate. The accreditations we have been awarded, and

ELISA Reader

## Developing the Service line to meet the Community's Healthcare Needs

### Rashtriya Swasthya Bima Yojana

RSBY has been launched by Ministry of Labour and Employment, Government of India to provide health insurance coverage for Below Poverty Line (BPL) families. The objective of RSBY is to provide protection to BPL households from financial liabilities arising out of health shocks that involve hospitalization. Beneficiaries under RSBY are entitled to hospitalization coverage up to Rs. 30,000/- for most of the diseases that require hospitalization. Government has even fixed the package rates for the hospitals for a large number of interventions. Pre-existing conditions are covered from day one and there is no age limit. Coverage extends to five members of the family which includes the head of household, spouse and up to three dependents.

### Mukhyamantri Amrutum Yojana

A large number of households are pushed into poverty as a result of high costs of household spending on health care. The Below Poverty Line (BPL) population is especially vulnerable to the catastrophic health risks. To address this key vulnerability faced by the BPL population in the Gujarat, the State Government has launched a medical care scheme called Mukhyamantri Amrutum (MA) Yojana. The objective of the scheme is to improve access of BPL families to quality medical and surgical care for the treatment of identified diseases involving hospitalization, surgeries and therapies through an empanelled network of health care providers.

### Mukhyamantri Amrutum Vatslya Yojana

It is the same health care scheme as described in above MA Yojana implemented by Govt. of Gujarat especially for middle class family for female of any age and her children up to age of 18 yrs even not covering under BPL health scheme whose family annual income should be less than 1.20 lacs. The surgeries covered under "MA" and "Vatslya" yojana are of;

1. Neurosurgeries
2. Burns
3. Poly Trauma
4. Cancer (Malignancies)
5. Renal (Kidney)
6. Neo-natal (newborn) diseases

**ONLY RECOGNISED HOSPITAL IN KUTCH FOR ALL THREE GOVERNMENT SCHEMES**

“AIMS Nursing College envisages to create nursing professionals who are focussed on holistic and high quality patient care”

Nursing is a dynamic, evolving profession that presents limitless career opportunities for nurses with graduate degrees. Nurses with graduate preparation provide direct patient care at an advanced level, conduct research, teach online and in the classroom, impact public policy, lead health systems, consult with corporations, and implement evidence-based solutions that revolutionize health care. These highly skilled providers are in great demand to fill established and emerging roles that allow nurses to focus on a variety of practice areas, such as adult and family health, geriatrics, pediatrics and public health and, administration. AIMS Nursing college also runs courses for x ray technician, OT assistant, CT technician and Dialysis technician.
